

# ERGO II UPDATE

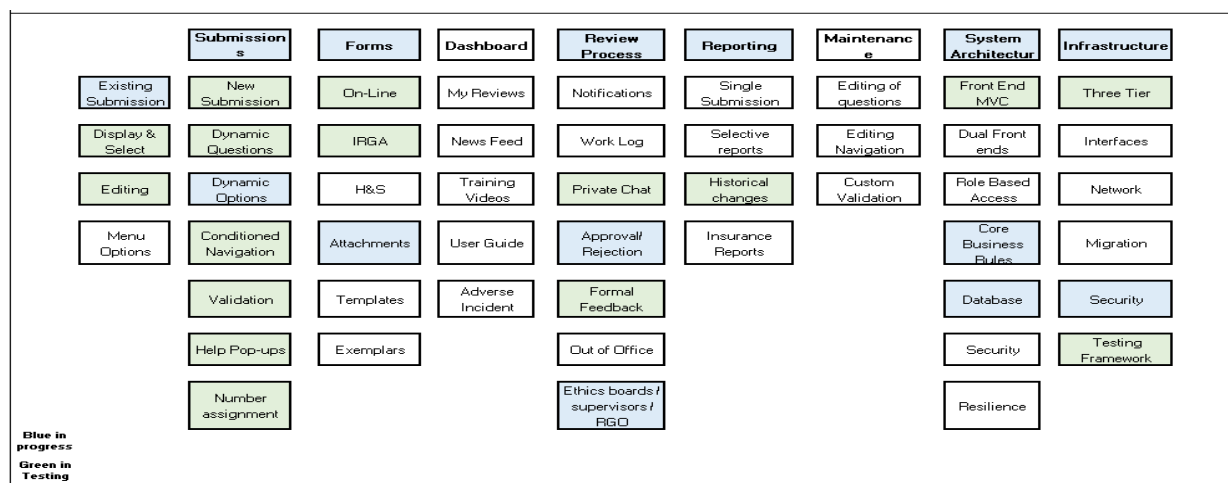

EDITION 2 – JANUARY 2017

This is the second in a series of updates to keep you informed on the progress to launch a new Ethics Research Governance Online system, ERGO II.

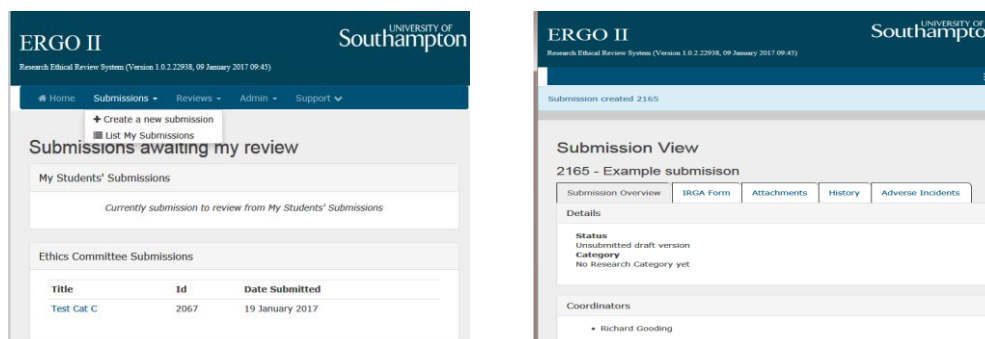

## THE VISION OF THE ERGO II PROJECT

*“Within 6 months ERGO II will improve upon the existing system, to provide a complete ethics and governance tool, which is efficient, intuitive, relevant, proportionate and adaptable. It will allow us to achieve high quality research and sustainably meet our obligations for our research now and in the future”*

## ERGO II PRODUCT BREAKDOWN

## ERGO II A SNEAK PREVIEW OF WORK IN PROGRESS

## WHAT HAS BEEN PRODUCED IN THIS SPRINT

- Create and submit an application
- Approve an application as a reviewer
- Enter comments and discuss an application online
- Upload an attachment
- Introduced automated testing tools to ensure high quality code is released for user acceptance testing as each sprint is completed.
- System architecture deployed to harden security of the system and improve its maintainability

Next Sprint will be starting in February 2017, the scope is currently being agreed.

If you have any questions or would like to see the work in progress please email the project team via [ERGOII@soton.ac.uk](mailto:ERGOII@soton.ac.uk)
